OUR COPYRIGHTED PROFIT SHARING POSITIONS CAN MULTIPLY YOUR REGENERATING MATRIX PAY!

The Regenerating Matrix Pay is one of the main differentiators between CTFO and other direct sales companies, and allows a greater number of people to get paid more! In a standard Forced Matrix, the growth can mean that commissionable sales can easily get forced too far down, ending up beneath the levels from which you get paid. CTFO solved this dilemma with the invention of Profit Sharing Positions (PSPs). A PSP is an additional “income center” that you earn for each person you personally enroll, after your third person.

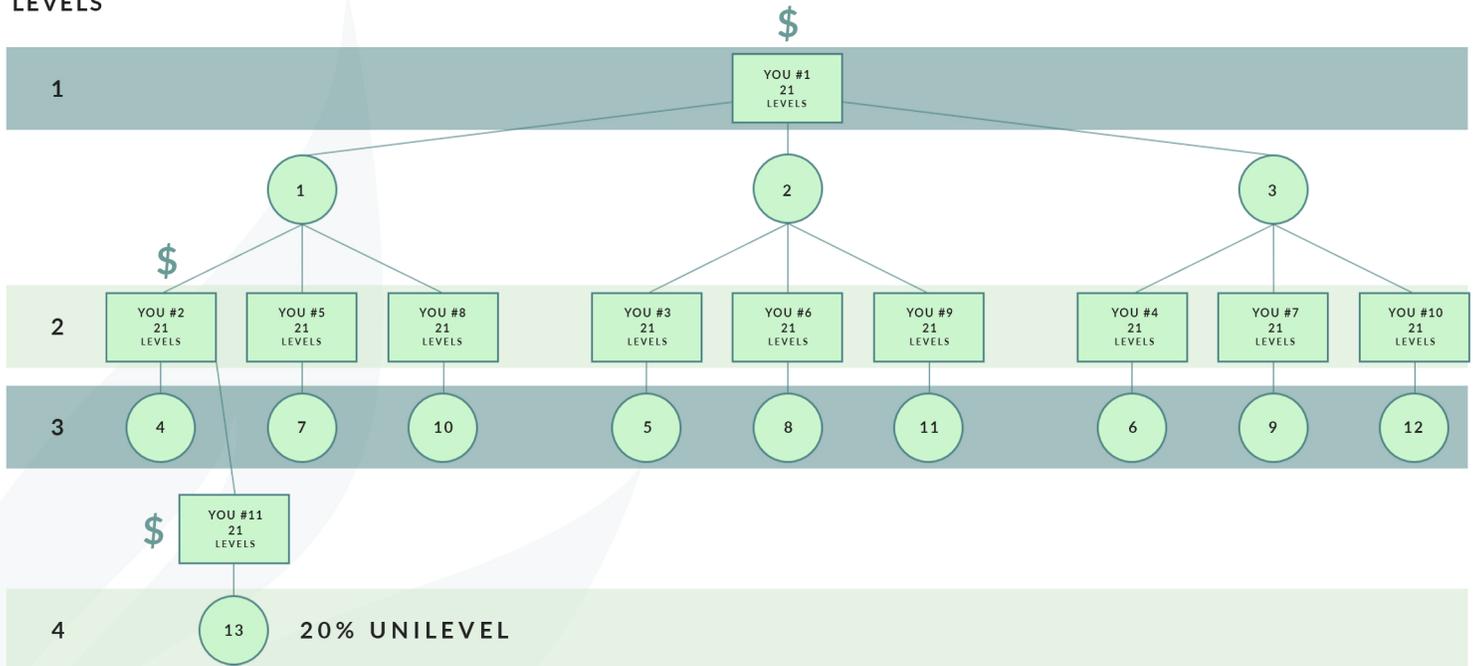

THE POWER OF COPYRIGHTED PROFIT SHARING POSITIONS (PSPs)

A duplicate copy of an original matrix position is created with every new enrollment after the first three enrollments and placed (linked) directly above the new enrollee in the enroller's matrix. PSPs are placed one level above the fourth direct and on. You do not get a PSP for your first, second or third directs, but when you sign up your fourth you will get a PSP above that direct and every direct from that point on. Each new PSP will earn commissions at the same rank and qualification as the original top position. New placements are entered into the Matrix by filling the highest, weakest spot first, then from Left to Right, as shown below:

A PERCENTAGE OF YOUR ENTIRE TEAM'S CV FOR AN INFINITE NUMBER OF LEVELS!

The Infinity Bonus Pay is the 3-5 year plan to help Associates retire wealthy. Earn additional percentages from your entire team's Commission Volume - with unlimited depth. Experience the benefits of true residual income.

In addition to the 7 ranks that qualify for increasing amounts of Infinity Bonus Pay, our top rank in CTFO, Top Gun also qualifies to share in the **Top Gun Bonus Pool**. This Bonus Pool is of the whole company's CV volume. So when you're sharing in this pool, it's not just your own team that's earning you income, it's the entire company!

Please note that each level of the Infinity Bonus is paid to the first person with the corresponding rank in the Unilevel Upline from where the order is placed. If no one between you and where the order is placed has an Infinity Bonus Qualifying Rank, you will get paid any Infinity Bonuses up to and including the rank you are Qualified for. For example, if you are a \$100K EVP, and no one between you and where the order takes place is a \$25K VP, a \$50K SVP or a \$100K EVP, then you would get paid 3% + 4% + 5% for a total of 12%. If there is a \$50K SVP between you and where the order takes place, you will receive 5% as a \$100K EVP.

BUSINESS BUILDER PACK FAST START PAY

	1 ST	2 ND	3 RD	4 TH AND ABOVE
SILVER	\$25	\$25	\$25	\$100 
GOLD	\$50	\$50	\$50	\$200 
PLATINUM	\$100	\$100	\$100	\$400 

THE BUSINESS BUILDER PACK FAST START PAY IS YOUR ROUTE TO EARNING BIG MONEY - AND QUICKLY!

For each Business Builder Pack you sell, earn a Fast Start Bonus, based on the category of pack purchased by the Associate. Additionally, you can unlock increased bonuses by selling more than three packs, with no time restraints. Once you have sold three packs (for each level), you'll participate in higher earnings on an ongoing and unlimited basis.

Buy 1, Sell 3 - In order to receive Business Builder Fast Start Pay, you must have purchased one of the Business Builder Packs (Silver, Gold or Platinum) in the lifetime of your account and must also be an Active Associate or higher when the pay period closes. In order to receive the larger Business Builder Fast Start Pay, the Pack sold must be sold to one of your Direct Members, and you must have already sold 3 of that category of packs (Silver, Gold or Platinum) to your Direct Members for which you receive the smaller Business Builder Fast Start Pay.

Business Builder Fast Start Pay Compression - You may earn Business Builder Fast Start Pay from someone further down in your Unilevel Downline, but if the pack is not sold to a Direct, you will earn the smaller Business Builder Fast Start Pay for that specific Pack, and Business Builder Team Pay will also be paid out in full for 21 levels.

BUSINESS BUILDER PACK TEAM PAY

Business Builder Pack Team Pay is a way to earn bonuses as your team continues to sell Business Builder Packs. The level at which an Active Associate is rewarded Team Pay depends on the Business Builder Pack purchased. The breakdown is shown below:

SILVER	UNLOCKS 7 LEVELS OF TEAM PAY
GOLD	UNLOCKS 14 LEVELS OF TEAM PAY
PLATINUM	UNLOCKS 21 LEVELS OF TEAM PAY

This demonstrates the importance of starting Associates at the Platinum level in order to fully maximize the potential of the CTFO Compensation Plan. The complete breakdown of Team Pay and associated bonus levels is on the following page.

Business Builder Pack Team Pay is paid out on all Packs that are paying out the smaller Business Builder Fast Start Pay.
